This event began as friendly competition between co-workers, but when Tom suffered a stroke during brain tumor surgery we decided to raise money for him and the Brain Tumor Society by opening this event to kickers of all ages. Tom lost his battle with cancer in 2014 but we continue to raise money for cancer research in his honor.

To Purchase Tom's Book, *Otis and His Dad*, please visit [Otis and His Dad](#). All proceeds go to the National Brain Tumor Society and A.I. DuPont Children's Hospital
