

HOW TO DONATE YOUR LIVE STREAM GAMING EXPERIENCE

Host a social distancing live stream to support NBTS!

1

Let us know

Email CommunityEvents@braintumor.org to get started. We'll provide you with resources and help you set up a donation page that can also act as your information page.

2

Choose your platform

Research and select a live streaming platform like Twitch or Hitbox.

3

Decide on a time & stream content

Decide on a date, time, and game length to host your gaming livestream. Also, decide on your live stream content. This can include video games, music, or sports.

4

Promote your live stream event

Promote your upcoming charity live stream on your social networks and through your live stream account.

5

Host your live stream

Broadcast your stream, thank your donors as they donate, and have fun!

6

Make your donation

Collect any donations not made to your donation page and send them to NBTS via check or by making a donation your event donation page.
