

## End of Life

### END OF LIFE

- What emotional support is available for me, my caregiver and loved ones to help us cope with my prognosis?
- Can hospice care be provided at home?
- What will my palliative care plan look like?
- Where can I and my caregiver go for assistance with a living will, power of attorney and healthcare proxy? Who should have copies of these documents?
- What's important to make sure I have in my Will?
- How can I donate my tumor tissue to research? Can someone on my care team provide assistance in finding a research program and arranging for donation of my tissue?
- Can I be an organ donor?
