

12 Tips for Fundraising Success

TIP #1

Start early.

The sooner you start asking for donations, the more money you will raise. As soon as you register to become a fundraiser, get organized and start asking!

TIP #2

Set a challenging but attainable goal.

Your fundraising goal should be a stretch, but doable. If you are getting close to your goal, then raise it so people continue to donate.

Customize your ask.

Customize your ask by including a personal story why you're raising money, why it's important to you, and where the money goes.

TIP #4

TIP #7

Customize your personal fundraising webpage.

Include a personal story about why you are participating, along with videos or photos.

TIP #10

Create or join a team.

Need help to stay motivated? Create or join a team for camaraderie, encouragement, and friendly competition. There's power in numbers!

TIP #5

Create an email schedule and stick to it.

Set dates to send a first email announcing your participation, a second email asking for donations, an update email, and a 'last chance' email.

TIP #8

Add social media to the mix.

Be sure to connect your fundraiser to Facebook directly and easily from your participant center. Once a donation is received, thank the donor publicly in the comments of your fundraiser.

TIP #11

Stay focused.

Remind yourself of why you are participating in the event, and how the money you will raise will help others. Turn to other fundraisers for inspiration and ideas.

TIP #3

Contact everyone you know.

Start with your email address book, then your regular address book and member lists from clubs you belong to. You'll be surprised who gives!

TIP #6

Ask, ask, and ask again.

People can only make a donation if you give them the opportunity. Don't be shy about asking more than once. People need to be reminded!

TIP #9

Get creative.

Add the URL for your fundraising webpage to your email signature. Give out "piggy banks" and ask people to save their change for a month. Hold an auction. Throw a party!

TIP #12

Send a personalized thank you.

After you've completed your fundraising, send your results to donors and thank them again for their help. You might need their support again next year!
