

COLORADO BRAIN TUMOR WALK & RACE

SPONSORSHIP OPPORTUNITIES

September 23, 2023

The National Brain Tumor Society (NBTS) unrelentingly invests in, mobilizes, and unites our community to discover a cure, deliver effective treatments, and advocate for patients and care partners.

An estimated 700,000 Americans are living with a primary brain tumor.

An estimated 88,970 people will receive a primary brain tumor diagnosis in 2023.

Approximately 31,299 adolescents and young adults are estimated to be living with a brain tumor in the U.S.

Brain tumors are the leading cause of cancer-related death among children ages 0-14 years.

Join us as we come together on September 23, 2023 for the **Colorado Brain Tumor Walk & Race**. We hope you will consider joining us as a sponsor as we unite with patients, caregivers, industry partners, and so many more to honor and act in support of the entire brain tumor community.
