OUR WHY

As our community grows, so does our impact. We need your help to continue supporting those affected by brain tumors and their families. At the National Brain Tumor Society, we offer a variety of events, each designed to create awareness, raise funds, and foster a supportive community.

**Jess Evans &
Melissa Farry**

Melissa and her partner Jess participate at the Race for Hope Greater Philadelphia as a way to give back to the community that has supported them since Jess's brain tumor recurrence in 2020.

“I leave these events with tears in my eyes. Being surrounded by patients and caregivers who've become like family to us is inspiring. It's really meaningful to have an event where we can come together and connect outside of a hospital or support group. We're not just talking about treatments or what happened on our last scan. We're there having fun.” - Melissa Farry

Supporting this event enables crucial progress toward better treatments and outcomes for patients like Melissa's loved ones (her partner, Jess and her mother, Claire) and all of those affected by brain tumors.
