OUR WHY

As our community grows, so does our impact. We need your help to continue supporting those affected by brain tumors and their families. At the National Brain Tumor Society, we offer a variety of events, each designed to create awareness, raise funds, and foster a supportive community.

Tiffany Musser
Team Grace & Grit

Tiffany, captain of her Race for Hope DC team, Grace & Grit, is a mom to seven and a 10-year Grade 2 Ependymoma survivor. She attributes her faith and family as the driving force that keeps moving her forward day by day. Tiffany remarks, “As I see how this tumor has upended my life, I am passionate about finding a cure. As a result, I’m taking action, and one way is by participating in Race for Hope DC. NBTS drives change at every level, from advancing best-in-class research, to shaping policy and breaking down barriers in drug and device development. They have the ability to improve outcomes for countless individuals and families, both now and in the future. My life is living proof of this need.”

Supporting this event enables crucial progress toward better treatments and outcomes for patients like Tiffany and all of those affected by brain tumors.
